Data Collection and Preprocessing Phase

Date	07 February 2026
Team ID	LTVIP2026TMIDS79636
Project Title	AutoSage App Using Gemini Flash
Maximum Marks	2 Marks

Data Quality Report Template

Data Source	Data Quality Issue	Severity	Resolution Plan
User-uploaded vehicle images	Images may be blurry or low resolution	Moderate	Prompt users to upload clear images and rely on Gemini Flash's robustness
User-uploaded vehicle images	Different image sizes and orientations	Low	Images are resized automatically during display and preprocessing
User-uploaded vehicle images	Incorrect or unrelated images	Moderate	Application validates image format and processes only supported formats.
